IMPORTANT INFORMATION:

1. All **ACTTOWERCRANEINDEX** figures must be given as a maximum load moment rating in tonne-meters.
2. The **ACTTOWERCRANEINDEX** is a separate listing from the **ACT100** Crane listing.
3. The **ACTTOWERCRANEINDEX** should include all tower cranes that are in your fleet as of July 14, 2023. Do not include cranes that you have ordered but that have not yet been delivered.
4. To help illustrate the editorial in the magazine, you are invited to submit high resolution photographs showing your cranes in action (with captions please). All photos will be considered for publication.
